PROFILE

GTM, analytics and revenue operations leader with 14+ years scaling B2B SaaS and enterprise technology across DACH, APAC, and North America. Track record of building commercial frameworks, sales playbooks, and data-driven ops at Meta, Booking Holding, and Sixt. AI-native operator: actively building with Claude and LLMs to accelerate commercial decision-making at scale.

EXPERIENCE

Sr. Director, Marketing Strategy & Operations

SIXT

Jul 2025 - Present

Munich

- Lead global planning of marketing channels, budgets, targets, and contribution across DACH, US, and APAC priority markets
- Build cross-functional frameworks aligning revenue ops, sales, and marketing on territory prioritisation and segmentation
- Work with Claude Code on multi-agent networks to improve ad account structures across marketing departments
- Develop B2B marketing playbooks, lead-qualification frameworks, and stage definitions for multi-stakeholder enterprise cycles
- Implement revenue analytics infrastructure enabling KPI tracking, pipeline visibility, and proactive performance insights

Head of Marketing Analytics

Agoda (Booking Holdings Inc.)

Jan 2024 - Jul 2025

Bangkok

- Owned commercial strategy and bottom-up planning for Agoda's 2nd-largest acquisition channel across 50+ markets
- Built elasticity and bidding models outperforming benchmarks by 5%+; adopted cross-teams as standard forecasting framework
- Reduced operational complexity 70%+ while maintaining full revenue output; designed as a repeatable, scalable playbook
- Championed department-wide AI adoption program; reported progress to C-level

Chief Growth Officer

Smile Identity (B2B SaaS, Series B)

Aug 2021 - Nov 2023

Berlin

- Built and led commercial functions (sales, CS, marketing, analytics) from scratch; force multiplier for CEO and board
- Executed GTM across fintech and enterprise tech; grew ARR \$1.5M to \$6M, partner base 2.5x, enabled Series B raise
- Designed territory plans, quota structures, variable comp; rebuilt data stack (Redshift, Tableau) for board reporting

Head of Program Operations, Mobile Partnerships

Meta (Facebook Connectivity)

Dec 2018 - Aug 2021

Singapore

- Scaled B2B GTM motion across APAC; Telco partnerships delivered 20% of Meta's global user growth
- Led deal analysis, valuation, and opportunity assessment for cross-functional enterprise deals at CXO-level
- Built industry-specific value propositions and sales plays; bridged product, data science, and commercial teams

Go-to-Market Lead, Mobile Partnerships

Meta (Facebook / Internet.org)

Nov 2015 - Dec 2018

San Francisco, CA

- Led GTM strategy, solution positioning, and value messaging across 20+ markets; negotiated directly with C-level
- Created sales enablement: training materials, global opportunity and prioritisation lists, playbooks, and insights decks
- Founded global analytics team across 4 offices (presented to Mark Zuckerberg); built industry frameworks for partnership deals
- Awarded 'Redefining Expectations' (top 3% of company) for cross-functional leadership and commercial impact

Sales Planning & Operations, DACH

Meta (Facebook)

Mar 2012 - Oct 2015

Dublin & London

- Partnered with EMEA VP on business strategy, GTM execution, and regional analytics for Sales & Service programs
- Founding member of global analytics team; influenced hiring, call-centre investments, and multi-million campaigns
- Awarded 'Redefining Expectations' (top 3% of company)

Account Manager, DACH, Online Content Partnerships

Payback GmbH · Market research, competitive analysis, A/B testing of ad placements and landing pages
